NIKARI BOOK

BOOK-1 Title: Working with wood

by request

SALES CONDITIONS

All orders shall be considered valid and accepted only when confirmed in writing by Nikari. The applied prices are those in force at the time of order acceptance. Nikari does not accept cancellations or modifications of confirmed orders. Nikari does not accept any responsibility for direct or indirect damage nor cancellation of orders due to delays in delivery with regard to the confirmed terms. Nikari reserves the right to make modifications and improvements on its own products without any advance notice. Nikari reserves the right to interrupt temporarily or permanently the production of models at its discretion with no obligation of any kind, with the exception of the delivery of orders confirmed prior to the aforementioned interruption or discontinuance.

**FREIGHT
CONDITIONS AND LIMITATIONS**

Freight conditions are sent to customers separately. According to the conditions, delivery shall be made solely to the store or to the dealer's stock, deliveries to end-users will be invoiced separately. Delivery shall be made at street level, unloading by the addressee with its own means. The conditions and state of the packing and goods shall be verified by the addressee, and Nikari must be notified in writing of any possible damages within 5 days from the date of receipt. Damaged goods must remain available to the insurers for any inspection. They shall not be shipped or returned to Nikari without written authorization by the latter. Failure to honor these conditions shall relieve Nikari of any responsibility, insofar as the latter would not be able to make use of the insurance.

PACKING

Nikari guarantees packing suitable for shipping with transport services specialized in the handling of furniture. When required, Nikari shall reinforce packing for shipments that may run particular risk of damage. Nikari reserves the right to apply, at our own discretion, a surcharge for packing in crates made of rough wood or fumigated wood, in compliance with the regulations and rules of the countries involved, for all products considered to be at risk in cases of "groupage" shipping or overseas transport by air, in shipments that are not door-to-door. If you have doubts, please contact Nikari for information and estimates on this type of packing.

STORING

With delivery term EXW Nikari will expect the customer to pick up the ordered and ready-made products within 2 weeks from the notice. Nikari reserves the right to charge an extra storing cost in case of a prolonged storing time.

**GUARANTEE
CONDITIONS AND LIMITATIONS**

Nikari guarantees its products for two years from the date of the invoice or receipt. In the event of a defect, please contact your Nikari dealer, presenting the purchase invoice or sales receipt and indicating the faulty model and the type of defect. The products are covered by a warranty on manufacturing defects due to the design and/or production of the elements and/or assembly of the finished product, so that they make the product not usable. With regard to the guarantee herein, the following shall not be considered defects: differences or unevenness of the aesthetic characteristics of natural materials such as, for example, wood, natural fiber fabrics and leather, in general. The surface finishes, with specific reference to colours (waxing, staining and lacquering) can be slightly different from one piece to another, without constituting a defect for warranty purposes. Any local regulations can cause changes on the use of materials and on the product comfort.

The following are not to be considered a defect:

- The normal wear of rugs and fabrics resulting from use
- Any tone and/or colour changes, due to natural or artificial light effect.

The colour samples shown in the catalogues are strictly indicative and may not correspond precisely to the actual colours. Exposure to sunlight or artificial light may alter the original colours.

No guarantee is provided for assembly defects performed by third parties not explicitly assigned, hired or authorized by Nikari. The guarantee herein covers replacement or repair free of charge, under and depending upon Nikari's judgement, of unusable or defective components or the entire product.

The guarantee shall expire in the event of:

- products have been used or maintained improperly
- defects derive from negligence
- damages to the single components deriving from disassembly, repairs, adulterations and modifications when done by persons or organizations not explicitly authorized by Nikari.

The guarantee does not cover:

- defects or damages deriving from failure to follow user instructions, or cleaning and maintenance suggestions included in the product data sheet inside the package
- damages caused by heat sources, burns, cuts, pets, corrosive materials, unsuitable environmental conditions (humidity, dryness, salinity, atmospheric pollution, etc.), natural disasters, causes of force majeure
- damages arising from incorrect transportation or handling
- theft or attempted theft

In order to best preserve the product over time, be careful not to jump and not to sit on the protruding parts, backrests and armrests. Do not drag but lift the product in order to avoid damages to parts that touch the ground. Protect the product from shock and contact with sharp edges, and from liquids or cleaning products that contain corrosive agents. The guarantee does not cover transportation or shipping costs or claims of any kind, arising from non-use or partial use of the product, even if temporary, due to the defects described herein. The guarantee is limited to Nikari products only. It does not cover dismantling and reassembly of the Nikari product to be replaced and all the furniture or structural parts that might be related to it, or transportation costs of replacements and / or missing parts.

TOLERANCES

The colour samples shown in the catalogues are strictly indicative and may not correspond precisely to the actual colours. Exposure to sunlight or artificial light may alter the original colours. The dimensions reported in the catalogues and price lists are indicative, due to solid wood characteristics and different seasonal behaviour caused by the changes in the air humidity.

RETURNED GOODS

Returned goods shall not be accepted unless authorized by Nikari and only with carriage free receipt. The acceptance of returned goods does not deem the replacement of the goods.

ASSEMBLY

Prices indicated in the price list do not include assembly.

JURISDICTION AND COMPETENT COURT

For all disputes, the Court of Helsinki, Finland, shall have sole jurisdiction
