

WOODNOTES

HAND KNOTTED WOOL CARPETS 2020

PRODUCT CONCEPT

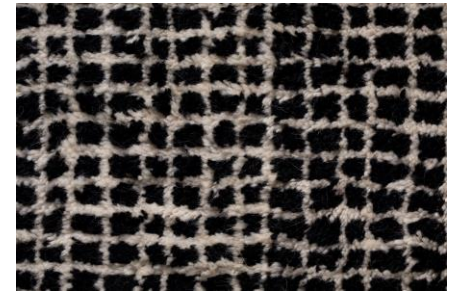

to create a new, soft collection that visually follows the Woodnotes' understated style

The color palette is soft and earthy: colors are natural sheep wool colors (except black), that have not been chemically dyed.

UNI: 4 colour options
GRID: 4 colour options

FINISHING OPTION:

Each corner is decorated with a braided wool fringe, which is reminiscent of craftsmanship. The braids can be removed if desired.

MATERIAL

- 90% wool
- 10% cotton
- made by hand in India
- ethical and safe production

Each carpet is unique, because they are made of genuine wool and hand-crafted.

APPLICATIONS

Hotel rooms
Living rooms
Bedrooms
Meeting areas

CARE INSTRUCTIONS

Vacuum cleaning is sufficient for everyday care of a Woodnotes rug. Always use the standard floor head, never the rotating brush, when vacuuming. Vacuuming under the carpet is also suggested.

REMOVAL OF STAINS

There are basically two types of stains: water-based and oil-based.

The solution for water-based stains is warm soapy water.

In removing oil-based stains a spray dry cleaning or textile cleaner for synthetic fiber solution is recommended.
