Blinds are supplied to order. Prices of intermediate sizes are determined by the next size according to the price table.
For higher blinds, please contact Woodnotes. Please note that fabrics made of natural fibers may stretch during use.

Production tolerance $\pm 0,5\%$.

BACK WINDING

FRONT WINDING

The widths on the price table are the widths of the ready made blinds. The total width of the chain operated roller blind is appr. 4 cm more than the width of the fabric. The heights on the price table are the using heights including the fabric needed for the mechanism and finishing. Mechanism available in black and white. Flat bottom bar covered with fabric. Optional visible aluminium bar available, please see price table above.

When ordering, please indicate:

- * total width and height of the blind
- * right or left hand operation
- * wall or top fix
- * front or back winding
- * chain length (please see page 15)
- * the bottom bar

503	546	624	703	746	824	867	946	1055	1067	1110	

Panel glide system is available with 2, 3, 4 or 5 tracks. Prices of intermediate sizes are determined by the next size according to the price table. The price of panel profile includes top-fix or wall-fix brackets. The price of panel carrier includes a draw rod, length either 100 cm or 150 cm. Please use the Woodnotes order form for panel glide systems.

The velcro tape of the panels is attached to the velcro tape of the panel carriers. The system is operated with draw rods which accompany the panel carriers. The panel glide system is supplied in white painted metal.

When ordering, please indicate:

- * wall or top fix
- * 100 cm or 150 cm draw rod
- * right or left hand operation of the draw rods

Total price for a panel glide system comprises of:

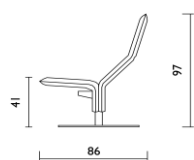

- * panel profile
- * panel carriers
- * panels
